AMIRHOSSEIN ABEDI

@ amirhoseinabedi80@gmail.com   github/mir-abedi
Telegram   Tehran, Iran

EDUCATION

B.Sc In Computer Engineering
2020 – Ongoing   Sharif University of Technology

Diploma In Mathematics
Aug 2020   AE Highschool, Tehran

WORKING EXPERIENCE

Software Engineering Internship
July 2021   Iran

- built a search engine using c#
- Github Repo

Teacher
March 2020 - Jun 2021   Tehran, Iran

- Preparing students for university entrance exam

PROJECTS

YU-GI-OH
Advanced Programming Course Project
Spring 2021

- Java Programming Language | JavaFX Framework
- Github Repo

Face detection using eigenface
Team member of linear algebra project team
Spring 2022

Various AI Algorithms
Artificial Intelligence Course Projects
Spring 2022

- Github Repo

ACHIEVEMENTS

University Entrance Exam
8th Rank
Sep 2020

Overall GPA 18.96/20

PROGRAMMING LANGUAGES

Python : Advanced

Java : Advanced

C# : Advanced

C, Cpp : Advanced

R : Intermediate

ACTIVITIES

Head Teaching Assistants

- 2 × Engineering Probability & Statistics
- Linear Algebra

Teaching Assistants

- 2 Machine Learning
- 2 × Artificial Intelligence
- 2 × Fundamentals of Programming (Python & C)
- 3 × Linear Algebra
- Data structures and Algorithms
- 4 × Engineering Probability & Statistics
- Database Design
- Compilers Design
- Theory of Languages and Automatan

Extra

- 7th WSS Execution Team Staff.
- Norouz Ceremony Execution Team Lead.
- ICPC Execution Team Staff.
