Honors

Ranked 13th among 150000 in the university entrance exam

Interests

- **Artificial Intelligence**
- **Machine Learning**
- **Optimization**

Language

Persian		Mother Tongue
English	ADV	· · · · ·
German	A2	· · · · ·

Programming

Python	
Java	
C++, C	
Latex	
R	

Hobbies

- **Chess**
- **Rock Climbing**

Education

Bachelor of Computer engineering

2020 - Present Sharif University of Technology, Tehran, Iran

remarks Passed many courses in computer science with a GPA of **18.96** out of **20**

High School Diploma in Mathematics

2017 - 2020 Tehran, Iran

remarks Got my Diploma in Mathematics with a total GPA of **19.98/20** sitting at one of the highest ranks in GPA in country

Honors

2020 Ranked **13** among more than **150 thousand** students in the University Entrance Exam (KonKour) .

2021-ongoing Guest member of **Iran's National Elites Foundation (BMN)** .

Degrees and Certificates

2020 English Certificate, Iran Language Institute

2019 Mathematics & Physics Diploma, Tehran

2018 Mobile App Development Certificate

Teaching experiences

I was honored to be the head teaching assistant to many distinguished professors for the following course

2022 Probability and Statistics
2023 Probability and Statistics
2023 Linear Algebra

Advanced Courses

Stochastic Processes This course was highly related to Probability & Statistics and advanced materials were taught. Various Stochastic processes and their properties along with their practical uses are covered.

Quantum Computing Quantum computing basics and methods by Professor Dolati.

Deep Learning Deep learning basic and advanced topics lectured by Professor Soleymani

AMIRHOSSEIN ABEDI

Machine Learning & Deep Learning (Stanford)	Audited Course lectured by Andrew NG.
